The Meeting (Scene 1)

(Two young villagers enter)

#1: It seems to me

#2: Or so it seems

#1: That things aren't always

#2: What they seem to be.

Boisterous exchanges among all as they enter. Everyone present, except the Wolf.

Red: *(Gavel striking podium)* Okay, everyone. Quiet, please. We have a very important issue to discuss. However, I would like to start by introducing Woodhaven's potential building contractors - Hammy Davis, Kevin Bacon and Pigmalion. *(Pigs snort approval)*

Pig1: We three

Pig2: are dedicated

Pig3: to building

Pig1: a safe and secure

Pig2: sylvan sanctuary

Pig3: of fabled, forested fellowship. *(Boisterous applause)*

Red: Well said, Three Little Pigs. And now, on behalf of the Hood family, our brother, Reuben, will explain our organization's strategy. *(applause)*

Reuben: Thank you, Red. As your newly elected forest ranger and security chief, I have endeavored to restructure DuHood Enterprises as follows: Red will continue as spokesperson, Grandma, better known as Orna Mae DuHood, will be our CEO. Our cousin, Nabor Hood will serve as public relations director. And our dear friend, Peter will be our gamekeeper.

Peter: Because as far as I know, I'm the only one here who has ever trapped that flea-bitten, fang-toothed, no good Wolf.

Boy: Wolf? Did you say "Wolf?"

Red: Oh, boy. Here we go.
